(Wakefield, MA) – The 2012 Wakefield Municipal Gas & Light Department (WMGLD) calendar is now available at the WMGLD business office at 9 Albion Street, Wakefield, while supplies last. This is the 26th year that the WMGLD has produced the historic calendar for its customers.

This year's calendar contains historical photographs from the past, including the Miller Piano Factory, Harvard Knitting Mill workers, and the day after the devastating Robie Industrial Fire which occurred 40 years ago in March.

The calendar also provides tips on how to save energy throughout the year.

Due to the limited number of calendars printed, only one calendar will be distributed per WMGLD customer family or business, while supplies last.
