

## **Wakefield Gas – Major Projects 2024**

### **1. Oak Street/Greenwood Ave Project**

Work Schedule: March-September

Description: Contractors working on behalf of WMGLD will install new mains on Crosby Road, Evans Place, Greenwood Avenue, Hillis Avenue, Everett Avenue, Maple Way, Oak Street, Orchard Avenue, Sherman Road, and Gerard Avenue during March-April 2024.

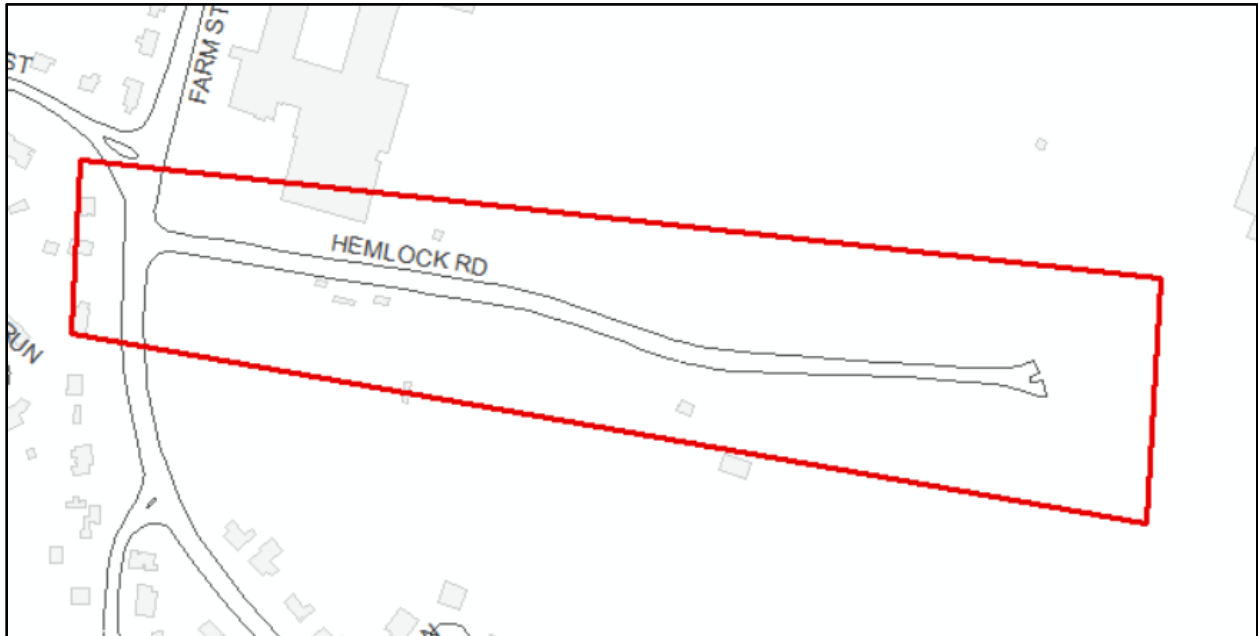

WMGLD crews will return for service work later in the year. The estimated timeframe for the service work is April-September. This project is motivated by the need to update infrastructure throughout the town in order to ensure safe, reliable service to our community.

## 2. Northeast Metro Tech – New School

Work Schedule: July-December

Description: WMGLD has worked with the design team at the Northeast Metro Tech High School to develop a plan to bring the necessary utilities to the new school. The work required to install the gas service to the building will begin on Farm Street and continue up Hemlock Road to the new high school's planned location. The work is set to start in July and will continue through the end of the year.

### 3. Preston St Project

Work Schedule: September-December

Description:

WMGLD will be installing new main on Preston Street and a few other streets in the area during the September-December 2024 timeframe. Service work will be executed subsequently following the main work on each street. This project is motivated by the need to update infrastructure throughout the town in order to ensure safe, reliable service to our community.
