

THE MLP Z-LOAN

ZERO-INTEREST FINANCING FOR HOME ENERGY UPGRADES!

Upgrade your home's comfort and efficiency without the upfront financial burden. Eligible residential property owners can access 0% interest financing for up to five years to cover energy improvements and necessary home preparation.

Eligibility Requirements

- Own a residential property receiving electric or gas service from a Participating Municipal Light Plant (MLP).
- Property is not eligible for Mass Save® programs.
- Upgrades must be identified through an approved home energy assessment prior to starting work.

How to Apply

Schedule an Assessment: Complete a qualifying Home Energy Assessment from NextZero to identify eligible measures for your property.

Get a Proposal: Work with a licensed contractor to get a detailed proposal for the recommended upgrades.

Apply for Financing: Submit your proposal and application at myz-loan.com before starting any work.

Loan At-A-Glance

Interest Rate: 0%

Loan Amount: Up to \$25,000
